

Virginia Department of Environmental Quality Mission Statement & Environmental Policy

Mission Statement

The Department of Environmental Quality protects and enhances Virginia's environment, and promotes the health and well being of the citizens of the Commonwealth.

Environmental Policy

Commitments: DEQ, in its operations and activities, will demonstrate leadership and environmental stewardship through an EMS that:

- Ensures DEQ's compliance with all applicable environmental laws and regulations;
- Identifies and implements techniques and environmentally sound practices that emphasize the environmental management hierarchy of pollution prevention (source reduction), reuse, recycling, treatment, and environmentally safe disposal;
- Promotes continual improvement in DEQ's EMS practice and procedures leading to improved environmental performance;
- Openly communicates to all employees and the public, DEQ's EMS policy, our identified environmental aspects, objectives and targets and programs to achieve them, and the results of these efforts;
- Provides human, financial and technical resources appropriate to the active management and maintenance of the EMS; and
- Encourages all employees, to the best of their abilities, to be accountable for implementing, maintaining, and upholding this policy.

Partnerships: DEQ will encourage environmental stewardship and foster improved environmental collaboration with stakeholders by:

- Exchanging mutually beneficial knowledge with, and encouraging open communication among, all partners including the regulated and non-regulated communities, the general public, DEQ employees, and other State agencies; and
- Encouraging and recognizing innovative ideas and solutions.

Performance: To achieve the goals and objectives of the EMS, and to promote continual improvement, DEQ A direct link to DEQ's strategic planning and budgeting process;

- Appropriate procedures and training; and
- Performance measures, self-assessment, and independent assurance reviews.
